Josh – I had told you that EPA would have ARC's response today. Unfortunately, Ron Halsey is out of the office this afternoon and unable to finalize the letter. We will send it out on Monday. Thanks for your patience.

Hello Adam, et. al,

Your clients will probably forward this to you soon, but I want to make sure you have a copy of EPA's latest statement regarding the RI/FS schedule and interim submittals.

Let me know if you have any questions.
